

**MALTA
CHAMBER OF
PHARMACISTS**
Kamra tal-Ispizjara ta' Malta

25 September 2022

Today, 25 September, is World Pharmacists Day, celebrated by the International Pharmacy Federation (FIP) globally.

This year's theme is "United In Action For A Healthier World".

Kamra calls on all health professionals and educators and Governments to converge in their endeavors for healthier populations. Health is wealth!

Kamra salutes all pharmacists who strive to give the best service to their patients and clients and society, in particular those who are on duty today, Sunday, in the community, in hospitals and elsewhere.

Vive les pharmaciens!

Mary Ann Sant Fournier
